

## 2019 Marching Band Football Game Meal Plan

Since marching band season requires students to remain at school on football game days - until the game is over - students have two dinner options:

OPTION # 1: Student brings dinner to school on that day or someone delivers dinner to the student by 4:30pm.

OPTION # 2: Purchase a Football Game Meal Plan

Should you choose to purchase the meal plan, dinner will be provided to your student for all planned game days.

Once you purchase the meal plan, there is no change to the order. If your student chooses not to eat one of the meals or chooses to bring his/her dinner, there is no refund or credit given. Additionally, there are no refunds for missed meals due to an absence. If you are purchasing the meal plan, you are purchasing for the ENTIRE PLAN.

Meals may include:

- Baked ziti, salad, rolls, fruit, cookies and drink
- Pollo Tropical – chicken, rice, black beans, corn, rolls, fruit, cookies and drink
- 2 slices of pizza, salad, fruit, cookies and drink
- Pei Wei – chicken, beef, veggies, rice and drink

Cost for the seasonal meal plan is \$40.00 (includes all football games).
